THIS CERTIFIES THAT

**NÜKTE OTOMOTIV SANAYI VE TICARET A.S.**

is a member of the Hardox® In My Body program, SSAB's quality program for equipment and machine manufacturers who use genuine Hardox® wear plate in their products, and who are dedicated to supplying bodies that weigh less, perform better, last longer, carry more payloads and offer better fuel economy. Only those manufacturers who meet SSAB's strict requirements on design and production techniques are offered membership and the right to use the Hardox® In My Body sign on their products as a sign of quality.

**Certified products:**  
18-26 m3 Tipper Trailers

A blue ink signature, appearing to be "JS", is written over a horizontal red line.

Johnny Sjöström  
Head of Special Steels Division, SSAB

**This certificate is valid until 31st December 2025 from the date of issue.**
